BE A SUMMER VOLUNTEER!

Cedarkirk is looking for camp nurses and worship leaders who will give a week of their time to nurture campers in our summer programs!

Experience the joy and excitement of our summer camp community in the pristine woods along the Alafia River! Witness camp ministry in action, laugh and sing with kids of all ages, share delicious home-cooked meals with camper groups, and experience the true satisfaction of taking part in something bigger than yourself.

Interested?
