

Challenge to Change Waiver of Liability & Consent

Participant Name: _____

Emergency Contact: _____ Phone: _____

Allergies: _____

Dietary Restrictions: _____

Known Medical Conditions: _____

I understand Challenge To Change participants may engage in construction or rehabilitation that involves heights up to a single story roof, the use of power tools, and handling construction materials.

Waiver of Liability and Authorization to Participate

I _____ release and forever discharge and hold harmless Presbyterian Camp and Conference Ministries of SW Florida (dba Cedarkirk) and its employees, volunteers, officers, or directors from any and all liability from activities performed by my child at Cedarkirk and selected sites for volunteer mission.

I understand that this release discharges Cedarkirk from any liability or claim that I may have for my child against Cedarkirk, its employees, volunteers, officers, or directors with respect to any injury, illness, death, or property damage that may result from activities at Cedarkirk or volunteer work sites. I also understand that Cedarkirk does not assume any medical, health, or disability insurance in the event of injury or illness. I recognize that there is a significant element of risk in any adventure, sport, or activity associated with the outdoors and/or mission work sites. Knowing that there are inherent risks, dangers, and rigors involved in the activities, I permit my child to participate in the activities of both the camp and the mission work sites.

I understand that my child will be participating in a mission trip program with a church or group. This group's accompanying adults/chaperones are responsible for the supervision and care of my child. All medications that may accompany my child will be dispensed, stored, and monitored by these accompanying adults and is not the responsibility of Cedarkirk or its staff.

Consent for Use of Power Tools

The assignment of mission sites varies depending upon the needs of recipients and the skill level of a specific mission group. In some cases there is a need for power tools to be used in the construction or demolition of a structure. Tool use is limited to drills, circular saws, chop saws, and reciprocating saws. These tools will only be used under the instruction and supervision of a Cedarkirk staff member or the church/group accompanying adult.

- YES**, I give permission for my child to use power tools.
- No**, I do not give permission for my child to use power tools.

Climbing Wall Consent

The climbing wall is 25 feet tall and has four climbing lanes, each equipped with hydraulic auto-belay systems for safety and controlled descent. I understand that climbing wall procedures and equipment are designed to keep participants safe and that the activity will be facilitated by trained staff.

- YES**, I give permission for my child to participate on the climbing wall
- NO**, I do not give permission for my child to participate on the climbing wall

Zip Lines Consent

Cedarkirk has two zip line courses, the largest having a launch platform 19 feet high and travel distance of 200 feet. I understand that zip line procedures and equipment are designed to keep participants safe and that the activity will be facilitated by trained staff.

- YES**, I give permission for my child to participate on the zip lines.
- NO**, I do not give permission for my child to participate on the zip lines.

Publicity Consent

Cedarkirk uses photos and videos to publicize and promote the Challenge to Change mission program.

- YES**, I give permission for Cedarkirk to use any photos or videos of my child for the sole purpose of publicity.
- No**, I do not give permission for Cedarkirk to use any photos or video of my child.
