CAMP & CONFERENCE CENTER

A close-up photograph of a brick wall. The bricks are arranged in a traditional running bond pattern. The bricks are primarily a reddish-brown color, but there are several bricks of a lighter, greyish-tan color interspersed throughout. The mortar joints are visible, and the bricks have a slightly textured, weathered appearance.

CEDARKIRK'S BRICK WALKWAY INITIATIVE

With an eye towards sustainability in the future, Cedarkirk's capital campaign will improve the accessibility of our buildings and expand our facilities so that we may better minister to those we serve.

We are so grateful for the privilege of being a blessing in the lives of so many children, youth and adults. Cedarkirk annually ministers to thousands of people through meaningful programs, unique retreat opportunities, and a continued commitment to being a place apart.

The purchase of a brick will help us raise the funds needed to construct Cedarkirk's new dining facilities and administrative offices, renovate Cedar Lodge, and build the next adult friendly retreat cottage. These bricks will comprise the walkway leading to the entrance of the new dining hall.

WE INVITE YOU TO PARTNER WITH CEDARKIRK IN THIS UNIQUE EFFORT AND LEAVE YOUR MARK FOR GENERATIONS TO COME. BRICKS CAN BE MADE IN MEMORY OR HONOR OF FAMILY AND FRIENDS. THERE IS ALSO AN OPTION ON THE 12"x12" PAVER TO INCLUDE THE LOGO OF A BUSINESS, ORGANIZATION, OR CHURCH.

Customize a brick to leave your legacy today and for future generations. Explore the options below and select how you'd like to celebrate the importance of this place.
