

REACH OUT CONFERENCE SUPPLEMENTAL APPLICATION

Camper's Name: _____

Reach Out is not a medically staffed program. We do have a health care manager on site twenty-four hours a day, but participants must demonstrate abilities in basic self-care; be able to walk 1/4 mile; and be continent. This supplemental application will be reviewed by our staff and you will be notified of the participant's acceptance into the program. Please answer each question as honestly as possible so that we can make the best determination as to whether your camper will thrive during their time with us at camp. Campers who cannot care for themselves may be sent home from camp.

Is the camper able to...?	By Self	With Assistance
Walk on a dirt road
