## **SHL & CLIP 2020 SUPPLEMENTAL PROJECT**

The SHL and CLIP programs are designed to be fun, intensive leadership programs for high school campers. Since some portion of each day will involve working and/or serving others, we want every camper to be invested in the program. In order to better know the incoming campers, we require the following project to be completed and returned to camp within two weeks of registering for an SHL or CLIP program. Campers who do not submit the project may be removed to make space for people on the waiting list.

### **WHAT YOU NEED TO DO:**

Please send us a 90-120 second video, recorded on your cell phone, addressing the following questions:

- What excites you about the SHL or CLIP program?
- What skills, gifts, qualities, etc. will you use to serve others and enrich camp during your time at Cedarkirk?
- What do you hope to gain personally during your week at camp?

### **HOW TO DO IT:**

- Think about your answers to the questions above.
- Film yourself responding to those questions – don't forget to introduce yourself!
- Email the video to [scotty@cedarkirk.org](mailto:scotty@cedarkirk.org). (If your file is too large to email, you may upload your video [HERE](#).)
- That's it! Prepare yourself for an incredible week at camp!

After we've received and viewed the video we will confirm your registration is complete and you'll be good to go! We can't wait to meet you!

Please contact Scotty Gillingham, Assistant Program Director, with any questions.
