What to bring list Day Camp

Backpack

Please place your child's lunch box, water bottle, extra clothes and sunscreen in the backpack. No wheeled backpacks.

Nutritious lunch

Lunch is important. Kids are active at day camp and they get hungry. Leave the perishable items at home; we do not offer refrigeration. Most parents include reusable ice packs in lunch boxes. Camp will provide an afternoon snack.

Sunscreen

Help your child apply sunscreen before they arrive. Please mark the bottle with your child's first and last name. The Day Camp Staff will also have spray sunscreen with them.

Water Bottle

Campers are encouraged to keep their water bottle filled and to drink water throughout the day.

Shoes

All campers must wear closed-toe sneakers or sandals with a heel strap. Campers are required to wear shoes while at camp.

Bathing Suit & Towel

Campers swim every day at day camp (weather dependent). Please pack a swimsuit and towel each day. You may also want to include an empty plastic bag in your child's backpack to hold their wet swimsuit and towels.

Extra Set of Clothes

Pack clothing that is comfortable in hot weather, suitable for outdoor play, and is okay to get wet or dirty.

NOTES:

Camp is an active place! All swimsuits, shorts, shirts, and shoes should be comfortable, and able to withstand the rigors of this environment. We do not allow saggy pants, strapless tops, or innuendo clothing. Two-piece bathing suits are fine as long as they fasten securely for athletic activities like swimming, canoeing, etc.

Remember

- Label belongings whenever possible- lots of items are left behind
- Pack old clothes- the camp environment can be rough on nice clothes

Do Not Bring

- Cell phones, tablets, electronics, etc.
- Money, jewelry, valuables
- Food (snacks, soft drinks, etc.)
- Alcohol, tobacco, illegal drugs, vape devices
- Pets
- Large knives or other weapons
